BORN WILD TEA SELECTION

Our tea partners, Born Wild, are an artisan tea company who specialise in blending high quality, ethically sourced and flavoursome teas.

Below are our favourites which enrich and complement our afternoon and high tea offerings.

BORN WILD BREAKFAST

Our premium English Breakfast blend, is made using the finest Assam and Ceylon whole leaf tea. This tea provides the perfect balance of full bodied flavours and a touch of sweetness, ideal for those searching for a more refined breakfast tea.

HANDSOME EARL GREY

A delicate but fragrant blend of high quality black tea and natural bergamot oil, with a sprinkle of colourful cornflower petals to brighten up your day.

LEMON & GINGER ZING

An uplifting and invigorating blend of fiery ginger, zesty lemongrass, lemon peel and liquorice root. We use a generous amount of ginger to ensure a lovely ginger kick, which is balanced by the delicate flavour of lemongrass and the natural sweetness of liquorice root.

CHAMOMILE FLOWERS

Made purely from the finest whole chamomile flowers, this herbal tea aims to soothe and relax.

PURE PEPPERMINT

Refreshingly cool and known for its soothing and cleansing properties, it has been said that our peppermint is the closest thing to fresh peppermint picked from the garden!

RASPBERRY LEMONADE

A blend of whole raspberries, lemon grass, apple, hibiscus, coconut and goji berries. This blend not only looks beautiful, but also infuses a light pink colour. The hibiscus adds a slight zing but is not too overpowering to taste. Delicious hot or as an iced tea.

JASMINE BLOSSOM

Our Jasmine tea is light and refreshing, with a beautiful delicate jasmine aroma and flavour. Originating from the Fujian province of China, Jasmine 'Chun Hao' tea is produced by layering jasmine flowers over hand picked dried tea leaves.

STRAIGHT ROOIBOS

Grown in the Cederberg mountains of South Africa, our organic Rooibos was carefully sourced and selected due to its honey-sweet caramel, yet earthy and malty flavour.

WHITE PEONY

Hand-picked in the Fujian Province, China, this superior white tea is made from the silver buds and first two leaves. It is known for its high level of antioxidants, delicate flavour and subtle fruity tones. This superior white tea has a delicate flavour and a light liquor.
